

# AEGIS Dispute Evidence Packet

Autonomous Evidence-Generating Intelligence System — Razorpay AI Buildathon 2026

## Dispute Summary

|                           |                   |
|---------------------------|-------------------|
| Dispute Id                | disp_57076aa089f7 |
| Transaction Id            | pay_487bc8423735  |
| Merchant                  | Kibe Electronics  |
| Amount                    | INR 29,196.00     |
| Reason Code               | 13.1              |
| Recommended Action        | Auto Defend       |
| Estimated Win Probability | 94%               |

## Authentication Evidence

|                    |      |
|--------------------|------|
| Method             | 3ds  |
| Otp Verified       | True |
| Three Ds Version   | 2.0  |
| Eci Value          | 05   |
| Cavv Present       | True |
| Authorization Code | None |
| Rrn                | None |

## Device & Network Intelligence

|                     |                                                                                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Fingerprint         | {'model': 'Samsung Galaxy S22', 'os': 'Android 13', 'screen_res': '1080x2340', 'timezone': 'Asia/Kolkata', 'language': 'en-IN'} |
| Known Device        | True                                                                                                                            |
| Device Trust Score  | 0.8702404154045917                                                                                                              |
| Ip Address          | 79.186.20.183                                                                                                                   |
| Ip City             | None                                                                                                                            |
| Ip Reputation Score | 0.8776828551395733                                                                                                              |
| Proxy Or Vpn        | False                                                                                                                           |

## Fulfilment & Delivery Proof

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| Carrier Name       | Delhivery                                                        |
| Tracking Url       | https://tracking.example.com/9006837a75                          |
| Delivery Timestamp | 2026-07-21T14:10:45                                              |
| Gps Lat            | 12.294728168726424                                               |
| Gps Lon            | 76.63874199150209                                                |
